**Latest News**

This year sees the 20th anniversary of the Landfill Communities Fund, which has seen almost £1.5bn distributed to projects by environmental bodies like Viridor Credits. Funding in Hampshire has ended following the closure of Squabb Wood. We gave out over £1.7m to more than 70 projects over 10 years. We are also reducing the maximum award in Cornwall and Dorset to £20,000 whilst they are closed to domestic waste.

**Update in Scotland**

The Viridor Credits Board flew to Scotland in June to visit a number of projects funded through the Scottish Landfill Communities Fund, as well as embarking on a tour of our Legacy:Scotland projects. Aply guided by Michael Cunningham, the Board was delighted by the difference the scheme makes in Scotland, with funding spent on museums, harbours, churches, village halls and play grounds all over the country. The Board would like to thank all our applicants for their

hospitality. Read about the Board's visits by clicking on the link above!
