Viridor Credits has a new, simpler online application system. This involves a two-stage application and a single point of contact for applying for funding and communicating with Viridor Credits. To get started, just enter your postcode (link above)! This quarter sees the closure of Devon and Cornwall to the LCF scheme, as well as the end of funding in Wales due to the devolution of Landfill Tax (see link above). If you aren't already, follow us on Twitter for updates on our funding, projects and more!

Pennon Environmental Fund

Since 1 October 1999, PEF has allocated an impressive £3.1m to 205 projects in South West Water's operating area in Cornwall and parts of Devon. Today, the PEF scheme funds small projects up to £20,000 and is now wholly administered by Viridor Credits. Below are two recent projects funded by the PEF scheme. If you have any ideas for community, heritage or biodiversity that PEF could be interested in, please contact us!
